The positive effects, both for the students, and residents are clearly evident. The students have learned in an outdoor classroom and have received proclamations from the State Legislature for their outstanding work in their care of the land. Also the community has been very pleased with the extreme change for the better in the appearance and health of the stream. Noted is the reduction of litter, loitering, and trespassing since it began.</p> <p>Can get new person in charge but not likely</p> <p>Need waiver for all students and guests - Protect School Liability</p> <p>Use STREAM as an Afterschool program</p> <p>Teachers can't be mandated to do after school programs</p>
